CLUSTER MEETING 7TH MAY

The South & West Gippsland Clusters come together on a regular basis to listen to interesting speakers, to share knowledge and network together followed by a light meal.

The next meeting is being held at the Drouin Men's Shed on Tuesday 7th May commencing at 9.45am for a cuppa and the meeting kicking off at 10.00am.

This meeting will feature Jason Bargwanna and Peter Mudie from Modra Technology who will thrill us with their different industries of work.

Our food specialists have promised a delicious light meal and of course there will be plenty of banter as we all enjoy the food.

So, come one, come all and enjoy the day with other fellow shedders

David Mudge

Secretary

FROM OUR PRESIDENT

Hello Shedders,

Winter has arrived and I have a song in my heart. The music group is underway and what I have heard is terrific.

With the Knowledge Quiz the shed is full of laughter by a bunch of old boys having a great time.

This is what the shed is all about and proves the committee has taken the right direction.

FROM OUR PRESIDENT *CONT.*

We were approached by food relief group from Warragul to build a dog kennel to help with fire relief, and so Keith set to it and within 2 days it was delivered thanks to all involved with this project.

3 phase power has been connected finally and the dust extraction is up and running please see Keith or Geoff for direction on use of this machine.

The laser burner has been repaired and is in use again!

We are looking forward to a great winter

See you in the shed

Jimbo.

DROUGHT RELIEF - BRIAGALONG

staff Jacki and Jaz.

On April 3rd 12 members and 4 wives travelled to Briagolong, about 10 kilometres from Stratford. With the mission to put a smile on thirty to forty farmers and their wives faces (who were really struggling) with a fully paid for lunch by our shed!!!

We arrived at the pub at 11-30 to get organized, where we were welcomed by

The invited guests soon arrived and quickly started mingle, they had lots of stories to tell, both funny and sad ones. After a few drinks the food started coming out and I thought how can I meet all these farmers so I got a tray of

food and went around with it, other members sat at tables talking to different farmers and their wives.

Laughter and jokes bought plenty of smiles from both sides. A certain member got up and told jokes with more laughter. Food was donated and handed to the family's, it was a fantastic day.

I came away with a warm fuzzy feeling and on a high, we achieved our goal! Thanks to those members and wives that came and the business' who donated food, also the staff at the pub.

A special thanks to John Crosby for organizing the day!!! I can't wait for the next country adventure - coming soon, so stay tuned.

Brian Williams, V.P.

Yes, Your \$2 Daily Payments Do Really Matter!!!!!!

You may not be aware that a two-dollar donation is expected on meeting days from *every member*. *This money is an essential part of the ongoing running costs of the Shed. It pays for your tea and coffee and more importantly, our insurance costs which cover YOU.*

WE ARE STILL NOT RECEIVING THE \$2.00
