

BayThorpe Shed

At the end of the day, a place to be in easy company with others

Together we make the difference

The new BayThorpe Shed is open!

The wellbeing that Sheds offer some men and women is proven over two decades in Australia, a decade in UK and 4 years locally.

“Being at a loss” arises from many life changes personal to individuals, but doing things and making things provides a very beneficial distraction from day to day concerns. We raise each other’s spirits!

**At present on Thursdays between 10am and 1.30pm (ish)
At the Scout Hut behind Fylingdales Village Hall
in the Station car park complex.**
